Executive Secretary, Scientific and
Technical Intelligence Committee

STAT

1. I request that the following members of the DCI's Science and Technology Advisory Panel (STAP) be allowed to park in the Visitor's Parking Area in front of the Headquarters Building (not directed to West Parking). The members have been instructed to tell the guard at the gate that they are attending a meeting of the STAP and that he will direct them to Visitor's Parking. Thank you for accommodating me--and them.
